Gorski ultramaraton Vipavska dolina

100 Ultra-trail® Vipava valley

29.- 30. 4. 2017

## Pomlad/Spring 2017

## 360° Vipavska dolina

Iz Doline, čez rob Gore, kjer se rojeva burja, z najvišjih vrhov spet strmo v Dolino.

Skozi temne gozdove, mimo strnjenih vasi in gostoljubnih domačinov, čez rodovitne vinorodne griče.

**Sprejmite izziv Gorskega ultramaratona Vipavska dolina in spoznajte Vipavsko dolino v vsem sijaju.**

## Dobimo se v Vipavski dolini!

## 360° Vipava valley

From the valley, over the edge of Gora plateau, where the north wind bora is born, from the highest peaks steeply into the valley. Through the dark woods, past small villages and hospitable locals across the fertile wine-growing hills.

**Accept the challenging invitation and run Ultra-Trail® Vipava valley.**

## Let's run 360° Vipava valley!
